### **NEW DAY TRIP DESTINATION OFFERED BY THE HISTORIC ANN STEVENS HOUSE**

Lake Helen – If you're looking for a uniquely picturesque and deliciously charming location for your next meeting, gathering, or afternoon outing, **The Ann Stevens House** offers two packages for your group.

The inn was built in 1895 and sits in secluded charm in Lake Helen, Florida, and is on the National Register of Historic Places. With the "**Afternoon Delight Package**" you will enjoy a tour of **The Ann Stevens House** which includes the inn's 10 spacious guest rooms that have been individually decorated, each offering a distinctly different theme. The grounds are manicured with lush native plants, quaint gardens, fountains and stately 100 year old camphor trees. The package includes a homemade lunch and tea served in our charming country dining room.

The "**Afternoon Insight Package**" offers an unusual experience in addition to the tour of **The Ann Stevens House** and grounds. As part of this package a medium from the nearby town of Cassadaga will convey messages from the dearly departed to your group. The package includes a homemade lunch and tea served in our charming country dining room.

**The Ann Stevens House** is only a few blocks away from Cassadaga, a world renowned center for psychics and mediums, 25 miles southwest of Daytona Beach, 35 miles northeast of Orlando, and 100 years back in time! The inn was originally owned by Ann C. Stevens, a wealthy and prominent Spiritualist, who later helped to develop Cassadaga into a center for Spiritualism.

Both packages are available Monday through Friday for groups of 8 – 20 from 11:00 AM to 3:00 PM. The **Afternoon Delights Package** costs just \$10.95 per person; the **Afternoon Insight Package** is available for \$20.95 per person. Minimum limit of 8 for either package. **The Ann Stevens House** is located at 201 East Kicklighter Road, Lake Helen. For reservations or more information call 386-228-0310, or 800-220-0310.
